PROCEEDS

Jamestown Swing promises to be the entertainment event of the year with all proceeds going to support the Ragsdale YMCA "We Build People" campaign.

RAGSDALE FAMILY YMCA — WE BUILD PEOPLE

Our goal is to turn no one away from YMCA programs or services due to an inability to pay. This is made possible by We Build People, the annual charitable-giving program of the YMCA of Greensboro. We Build People provides Open Doors scholarships and allows the YMCA to support important community service programs. Your gift to We Build People keeps memberships and programs affordable and open to everyone. For 120 years, the YMCA has been a strong part of our community. More than 60,000 people build their spirit, mind and body at the YMCA each year. Our YMCA's six branches and Camp Weaver strengthen people of all ages and financial abilities every day.

The Y's wide range of activities for youth, teens, adults, families, and seniors is open to everyone. Last year, YMCA scholarships helped more than 2,400 deserving people with financial assistance for programs they needed. Many more need our help now to support YMCA community service programs. Your contribution to We Build People is much needed and appreciated.
